

Pureen^{*} BABY WIPES

FRAGRANCE FREE

Ideal for Babies' Sensitive Skin

Pureen[®] Baby Wipes are made from soft, thick and moisturised cottony material that cleans your baby's delicate skin gently and effectively.

The wipes are especially formulated with mild ingredients that are alcohol-free and paraben-free. They are hypoallergenic and dermatologically tested, they also have been proven not to induce skin irritation and allergic reaction when used on allergic skin.

Enriched with soothing Aloe Vera and moisturising Vitamin E to protect and care for a baby's skin, the product also leaves the skin smooth, moisturised and fresh after each use.

You can use it during diaper changing time, mealtimes, playtime, at home or on the go. It is also ideal for various cleaning and hygiene purposes, such as for make-up removal, during travelling and sports.

Pureen[®] Baby Wipes are suitable to be used on baby and for the whole family anytime, anywhere. For parents who are looking for fragrance free baby wipes, they can choose **Pureen[®] Baby Wipes Fragrance Free** that is especially formulated for babies' sensitive skin. It is now available in regular and extra-large sizes.

Pureen[®] Baby Wipes come in handy packs and canisters as well. They are available in leading hypermarkets, supermarkets, departmental stores, medical halls and pharmacies.
